Deer Attractant

Stops Them In Their Tracks!

!!ALERT!! Deer Attractant is a highly palatable treat for wildlife! It has been developed and tested by deer hunters in the Hill Country to ensure that it has the ability to alert the deer and stop them in their tracks! It's more than just an attractant, it's a unique formulization that deer crave. Not only will it stop them, but it will keep them coming back time and time again. This product can be used all year long to concentrate deer activity.
