

TRIPLE V BRAND FREE CHOICE MINERAL

A Mineral-Vitamin Mix for Maintenance of Horses on Pasture or Consuming Hay

Free Choice Mineral is a granular form of loose mineral with added vitamins and other nutrients. Just make Free Choice Mineral available to your horse at all times, and the horse will consume the 3 to 4 ounces per day that is needed. This is convenient for the horse and the horse owner.

Benefits of Feeding Triple V:

- Increased stamina
- Improved health
- Better hoof quality
- Enhanced eye appeal
- Shinier hair coats
- Optimum feed consumption and utilization
- Excellent overall condition and appearance
